

## STAND TALL 'SLAM DUNK' CHALLENGE

As part of the **STAND TALL** program, the 'Slam Dunk' Challenge will feature across the four sessions and encourage students to reflect and practice the values in their everyday life.

An opportunity for students and teachers to see these values in other people, whilst practicing the values themselves.

The 'Slam Dunk' basket will feature in the classroom every week and will remain with the class after the program has finished, encouraging students to continue practicing the values.
